## EXPERIENCE

### Founder & Frontend Web Developer, DevCore Studio

Jul 2026 – Present

Freelance · Thiruvananthapuram, Kerala (Remote)

- Founded and operate a web development studio specializing in high-performance static websites for hospitality businesses across Kerala.
- Executed direct B2B cold outreach via WhatsApp to businesses lacking digital infrastructure; negotiated and closed 4 commercial contracts (Lakeside Meadows, A.I.D.M Villa Homestay, Mahika Homestay, Chirackal Homestay).
- Built lightweight, responsive frontends with HTML5, CSS3 (custom properties, CSS Grid/Flexbox), and vanilla JavaScript, with no heavy server overhead.
- Implemented technical SEO including JSON-LD structured schema (LodgingBusiness), Open Graph metadata, and mobile-first responsiveness; deployed production sites to custom domains on Netlify and Cloudflare Pages.

## SELECTED PROJECTS

- **Mahika Homestay** · live production website · mahikahomestay.netlify.app
- **Lakeside Meadows** · live production website · lakesidemeadows.netlify.app
- **Personal portfolio** · gautham.store · AI chat widget backed by a serverless function
- **Vanguard Clothing · Palazzo Sogni · Dental Health** · design concepts
